WORK EXPERIENCE

University of South Wales Students' Union, United Kingdom   June 2023 – January 2024
Vice-President of Activities
- Led and guided a diverse team of students to organize and execute a wide range of activities, sports teams, clubs, and societies, demonstrating strong leadership and strategic planning skills.
- Successfully increased student participation and engagement in extracurricular activities, sports, and clubs by implementing innovative programs and initiatives.
- Effectively managed budgets, allocated resources, and secured funding for various student-led initiatives, ensuring the efficient use of financial resources.
- Acted as a key advocate for student interests, representing their needs and concerns to the university administration and other stakeholders, and driving positive changes in the student experience.
- Fostered a sense of community and inclusivity by promoting diversity and inclusiveness within clubs and societies, helping create a vibrant campus culture that caters to a wide range of student interests.

Captain Promotion, Sri Lanka   Feb 2020 – Feb 2021
Graphic Designer

- Proficiently utilized Adobe Illustrator to create visually appealing and effective design solutions, demonstrating strong skills in vector graphics and digital design.
- Developed and executed creative concepts for various projects, including branding, marketing materials, and digital assets, delivering designs that aligned with clients' objectives and brand identities.
- Collaborated closely with cross-functional teams, including clients, copywriters, and marketing professionals, to translate ideas and concepts into compelling visual content.
- Maintained rigorous quality control standards, ensuring the accuracy, consistency, and high-quality output of design materials, while meeting deadlines and client requirements.
- Stayed up to date with design trends and industry best practices, consistently integrating new techniques and tools to improve design processes and deliver fresh, innovative visual solutions.
